

OUR DENTO-CLUB PLAN

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of advances in modern dentistry. To ensure we maintain the high standards our patients have come to expect it is becoming increasingly important for us to accurately match the number and the needs of our patients to the resources we have available.

With this in mind we have designed a comprehensive dental treatment plan to reward loyal patients, allowing us to plan your dental care more effectively, to provide the best chance of keeping you dentally fit and to reduce the need for future treatment.

When you join the plan, you will have the peace of mind that your dental treatment will be covered by convenient monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

YOUR BENEFITS

- all your routine dental treatment is included
- payment by convenient monthly Direct Debit, allowing you to budget
- guaranteed registration with the practice and continuing access to your dentist
- early identification of dental problems to prevent pain, discomfort and inconvenience
- appointment times to suit you whenever possible, including Saturdays
- priority bookings in the event of a dental emergency
- access to a 24 hour dental emergency helpline 365 days per year
- worldwide Supplementary Dental Injury and Emergency Insurance at terms not available elsewhere (see overleaf).

WHO IS OUR PLAN FOR?

Our plan is designed for patients who wish to attend the practice on a regular basis and have peace of mind that their routine dental treatment is covered.

WHAT DOES OUR PLAN INCLUDE?

- all regular dental health examinations
- all hygienist/therapist appointments including scale and polish and periodontal (gum) advice
- all x-rays
- all fillings
- all extractions - discounts on Root Canal treatment, dentures, crowns, bridges and implants
- extensive preventive advice including diet and oral hygiene advice
- membership card with 24 hour helpline numbers for dental emergencies at home or abroad
- worldwide Supplementary Insurance (see overleaf).

HOW DO YOU JOIN OUR PLAN?

We carry out an assessment (which usually incurs a fee) to ensure that you are dentally fit and that our plan will meet your needs and will advise you of the monthly amount to pay to cover all your dental treatment needs.

Then joining is very simple. All you have to do is complete a registration form and Direct Debit mandate.

In addition to your first monthly payment, an initial registration fee of £10 per person will be charged and will be included in your first Direct Debit payment.

We carry out a yearly audit to ensure fair levels of care for all patients.

If you choose to leave the plan for any reason you can do so by simply giving us one month's notice.

WHAT IS EXCLUDED FROM OUR PLAN?

Although non-routine services are available from the practice, some items fall outside the scope of the plan and are not covered by the monthly payment namely:

- cosmetic dentistry
- crown, bridge and denture work
- implants
- orthodontics
- root canal treatment for those on lower cover levels

There are, however, discounts for all of the above treatment for patients on the plan.

ANY QUESTIONS?

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance.

WHAT HAPPENS IN AN EMERGENCY?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.

Your Supplementary Insurance provides:

- ✓ cover for:
 - up to £10,000 worth of treatment following dental injury
